BNI is a statewide nonprofit organization established in 1959 to promote justice in housing for all people in the State of Maryland through fair housing and tenant-landlord programs and public information activities.

BNI's purpose is to:

1. Maintain viable interracial communities by

- Providing advice and assistance on how to maintain neighborhood diversity.
- Fighting blockbusting, racial steering, and racial harassment in cooperation with other appropriate agencies.

2. Create an open housing market by

- Educating the public and the housing industry as to state, federal, and local laws forbidding discrimination by reason of race, color, religion, national origin, sex, marital status, familial status, sexual orientation, physical or mental handicap.
- Encouraging all home seekers to consider the total housing market.
- Upholding fair housing laws by investigating complaints of housing discrimination and by monitoring the sale and rental of housing.

3. Improve tenant-landlord relations by

- Mediating disputes between tenants and landlords.
- Giving advice and information to landlords and tenants on tenant/landlord issues.
- Encouraging the formation of tenant organizations.
